

Wavin AS+

Low-noise Drainage System

Wavin AS+ represents the ultimate in noise reduction and performance. And that's no coincidence. The Wavin AS+ is composed of unique high- density mineral reinforced polypropylene (PP). It's features specially developed noise reducing brackets and is perfect for building large and small. With its sculptured spigot and self – lubricated blue seal our latest AS+ is not just super quiet, but super-fast and easy to install.

With its low-noise operation, Wavin AS+ has the potential for usage in apartments and residential homes, in schools and universities, in hospitals, hotels, and offices too.

Key Features & Highlights:

LUBRICATED BLUE SEAL

Blue seal's shape guarantees leak-free, failure-proof installation

ANGULAR ROTATION MARKINGS

Guide to align and rotate fitting in the right direction

COMPACT DESIGN

Compact Design for small and narrow space

SCULPTURED SPIGOT

Sculptured spigot reduces push-in force with 50% compared to Wavin AS

RIBBED FITTING

Unique material composition delivers perfect sound absorption

EASY FIT

Easy Fit with ribs to provide enhanced grip

Wavin AS+
