Wavin Tigris K5/M5

Revolutionary Press-Fit Plumbing System

The new generation Wavin Tigris K5/M5 multilayer pipe fitting systems with the acoustic leak alert feature to indicate unpressed fittings with a loud sound during pressure testing. Two core lines are available in the range which sets new standards for metal-plastic pipe connections.

Wavin Tigris K5

range is made of the high technical performance plastic Polyphenylsulfone (PPSU) while Tigris M5 has a body composed of UBA-listed drinking water approved brass materials. Wavin Tigris K5/M5 fittings are suited for installation in domestic, commercial, and industrial plumbing applications,

including safe supply of potable water.

Key Features & Highlights:

Acoustic
Leak Alert

MultiJaw

OptiFlow

IN4SURE

UltraSeal
